

IDA Scholarship Foundation Silent Auction Donation Form

The purpose of the Silent Auction is to raise funds for educational scholarships for deserving students from within the family of the door and access systems community. All funds generated through the Silent Auction will go towards scholarships. Complete this form in its entirety so that proper acknowledgement can be made during the Silent Auction. For donations of an experience such as trips, please provide as much detail as possible.

All donation commitments for the Silent Auction must be received or pledged by March 28, 2022

When an item is pledged, a high-resolution photo of the item is needed to include in the auction.

For physical item donations, no items will be collected at the National Office. Instead, Donors will take on the responsibility of sending the item to the top bidder which will be shared with you at the close of the event.
