

# SUPERTECH DAY

**FRIDAY, JUNE 20, 2025**

SuperTech Day is coming up on Friday, June 28th, so it's time to start planning for how you want to celebrate. SuperTech Day is a time to thank your technicians for the hard work they put in throughout the year and to show them how much they are appreciated.

Visit [doors.org/idaexpo-events/supertech-day](https://doors.org/idaexpo-events/supertech-day) for ideas on how to celebrate.

Be sure to take photos of your SuperTech Day celebrations and email them to [info@doors.org](mailto:info@doors.org) for a chance to be featured in the September/October issue of *IDA Magazine*.
