History of IDA

The International Door Association was created in 1995 with the merger of the Door & Operator Dealers Association (est. 1968) and the Far Western Garage Door Association (est. 1964).

The merger was agreed between the two associations on June 14, 1994, and the IDA began officially functioning on January 1, 1995.

Brief snapshot of membership

IDA serves the industry with over 1,000 dealers, manufacturers, technicians and industry professionals, providing education, support, networking activities to help their businesses grow.

Vision of IDA

The vision of the International Door Association is to ultimately attain a level of product and installation quality unmatched by any other industry.

Top 4 Reasons to Join IDA

PRESTIGE, CONNECTION & SUPPORT

- ▶ IDA members can proudly promote their membership to an association committed towards advancing the garage door and access systems industry.
 - IDA supports the reporting of “Bad Bobs” whose unethical business practices can damage the industry image
 - Board review and approval process for membership
 - Enforcement of the IDA Code of Conduct
 - Support for the dealer industry through advocacy efforts
 - Partners with affiliate organizations to connect to the local dealer

EDUCATION & TRAINING

- ▶ IDA’s primary mission is to serve those who sell, install and service garage door products. IDA provides educational information, programs and services to help our members operate more profitably and proficiently.
 - Partnership with IDEA to provide trainings for certification and accreditation.
 - Provides online CEU courses to maintain IDEA accreditation.
 - Provides Toolbox Talks and IDA Webinars
 - Provides scholarships through the IDA Scholarship Foundation
 - Provides online ClickSafety Training to help reduce risks and empower workers with the knowledge and confidence they need to remain safe on the job.

NETWORKING & EVENT OPPORTUNITIES

- ▶ IDA Expo+ held every other year IDA Expo+ is an industry education and product showcase, which features the latest products, technology and information, as well as networking opportunities not available anywhere else.
- ▶ IDA EduCon and Tradeshow event allows IDA to engage with members and industry representatives across the country. Dealers attend to earn IDEA approved CEU's, network with industry colleagues and be updated on the latest products and services available to business owners in the industry.

BUSINESS RESOURCES

IDA is committed to providing businesses of all sizes with the resources to help them grow.

- ▶ Members can sign up for discounted services and products through the IDA Approved Programs and Preferred Providers.
- ▶ Through the IDA Member Documents Library, members have access to many online resources all downloadable with many documents customizable for individual use.
 - Human Resource and Accounting documents
 - Job Descriptions
 - Best Practices guides
 - Sample forms and more.
