

SUPERTECH DAY

FRIDAY, JUNE 26, 2026

SuperTech Day is coming up on Friday, June 26th, so it's time to start planning for how you want to celebrate. SuperTech Day is a time to thank your technicians for the hard work they put in throughout the year and to show them how much they are appreciated.

Visit doors.org/idaexpo-events/supertech-day for ideas on how to celebrate.

Be sure to take photos of your SuperTech Day celebrations and email them to info@doors.org for a chance to be featured in the September/October issue of *IDA Magazine*.
